Notes from the Vice Commodore

Hello all members

Now we are into June and have a great calendar ahead of us. I would like to introduce two new members:

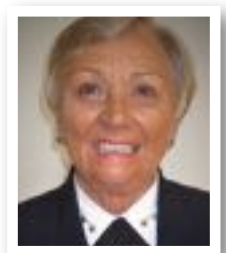

Bob and Janice Pugh from Sacramento

Dennis and Penny Calvird from Stockton

Welcome to all of our new members!

I'm very excited with our Wacky Wednesday calendar. So far we have completed every week through August. Some dates are still open for September through December. Thank you to all members who signed up to cook a delicious dinner for our members and guests on Wacky Wednesday.

See you all at the Club!

SYC BULLETIN

Notes from the Board of Directors

I recently received an email from Marc Jantzen, the Board Secretary. Since losing his wife Marilyn 20 months ago, Marc has decided to move on with his life. Unfortunately, this does not include SYC. He has resigned from both the Secretary position as well as the Club. We certainly appreciate Marc's many years of service to SYC; we will miss him and wish him the best as he moves forward. This leaves a vacancy for the Board Secretary. Mickey Johnson has graciously volunteered to step in for now but will relinquish if anyone else has a desire to step in. Please let me know if you are interested.

It has come to the Board's attention that we have been negligent in collecting and paying sales tax on our meals served at the club (An older ruling exempted us as a non-profit, however that exemption no longer exists.). Beginning July 1st, our event hosts will be asked to adjust their pricing to include sales tax. Rather than charging \$8.62 for Wacky Wednesday meals or \$19.40 for an \$18 weekend meal, we will be rounding up to \$9.00 for WW and \$20.00 for an \$18 meal. Cents collected over and above will go into the general fund.

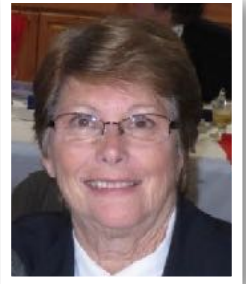

There has been a lot of concern and publicity about the homeless encampments in the area, most specifically along the levees. Much of their garbage and sewage has been washed into our Delta waters with all of the rainfall we've been having. Through meetings with the State Water Board, Sheriff's Dept., City Council, Caltrans and more, things are happening. We citizens have their attention! One of the things that we asked for and received was water testing for E. coli. The results in the Calaveras River are not good. At the I5 bridge testing results that should be in the 320 range was tested at 2,419 and in front of the Club tested at 687. We believe the water in front of the club was impacted by the rain that day which was washing bird dung off the shed roof into the water, the three storm water discharges on the Calaveras, and of course the down flow from the I5 area. The Water Board will be testing again very soon and hopefully the number will be much lower. I also heard Stockton has now taken an aggressive stance on getting the encampments off the levees. These actions have been because we have been expressing our concerns. Our Club is hosting another San Joaquin Delta Neighborhood Watch meeting on June 13th at 6:00 pm if you want to hear more about the happenings regarding these and other concerns.

As you probably know, the Pacific Inter-Club Yacht Association (PICYA) awards scholarships every year to affiliated club's children, grandchildren, nieces, nephews, etc. The scholarships are funded entirely by donations from PICYA member clubs and club members. This year your Board elected to match funds donated by our members up to \$250. With your help, we hope to be able to write a check to the scholarship fund for at least \$500 by July 1st.

Our Bay Cruise is on with the help of Bob Cain. The Saturday after our General Meeting on September 20th our Delta Fleet and Bay Fleet will cruise together to Pittsburg YC for a great weekend. The Bay Fleet will continue on as the Delta Fleet will return to their home ports. Bob has the details on the stops during the week of September 23 - 30. Please give him a call for the details and to sign up.

Paul and I will be your Port Captains for the month of June. Please let us know if you see any problems around the club.

Reminder: We don't have a caretaker or permanent Port Captain at this time. Please feel free to pitch in to tidy up our clubhouse and grounds if you see something that needs to be done.

BOARD CHAIR
Donna Clausen

2019

SYC BULLETIN

Do not learn safety by accident! Pat Carson, Safety Officer

Over the past several years your Flag Officers and Board of Directors have taken this slogan to heart. Safety ladders were installed at many locations in our marina to assist a person in the water with self-rescue should they find themselves in the murky waters of the Calaveras River. A high quality first aid kit and AED have been installed in a very conspicuous location inside our clubhouse. Trees and roots that presented a trip hazard on our grounds were removed and the area leveled with fill and new grass planted. The lighting inside and outside of the storage shed and garage was upgraded making it safer and easier to locate items. New handrails along the access to the guest dock were installed when the old ones had rotted thru and no longer provided a safe handhold. Signage has been placed around the marina reminding members and guests that personal flotation devices must be worn by those under 13 years of age when on our docks. A portable fire fighting pump for use on our docks or in the club has been purchased and was recently put to use preventing a disaster in the sheds.

Safety is not just the responsibility of the club's leadership, it is everyone's responsibility. If you see a safety hazard please speak up so that it can be addressed before we have an accident.

Is your first aid and CPR certification current?

RBOC Report - Paul Clausen, Vice President North

It's the slow season for the legislature as bills wind their way through committees and get amended, some to the point they no longer look anything like the original bill. We are watching the progress and will let you know how it's going.

The biggest news is the twin tunnel project is no longer being considered. The proposal has been rescinded and a new proposal for a single smaller tunnel is being considered by the tunnel proponents. The thinking is a new proposal with all the rules, regulations, and studies that must be done will mean tunnel construction, if approved, is at least ten years away.

An editorial in The Log, "California's Boating and Fishing News", asked who goes to bat for local boaters. Who speaks to the local issues, not just statewide and national issues? The answer is we, at RBOC, speak to those issues. We spoke out against the twin tunnels, the Franks Tract Project, and the blockage of False River. In Southern California, we are fighting copper bottom paint restrictions in Newport Harbor and Huntington Harbor. In San Francisco Bay we are opposing frivolous lawsuits against marinas and boatyards, along with taking a leadership position against regulatory over reaches from various Commissions, particularly the Bay Conservation and Development Commission. We are ready to take on the issues of all boaters across the state from lakes, rivers, bays, harbors, and the coast. From paddle boards to mega yachts, RBOC is here for you.

PICYA Report - Ed Stetson

The PICYA 2019 Scholarship Program is now underway and we have received our first application. They are due in my hands by June 15th and will be awarded at the Delegates Meeting August 5th at Stockton Yacht Club.

If members of PICYA affiliated clubs have grandchildren, nieces, nephews, other relatives, or youth being mentored who are continuing their education in college, please encourage them to apply for one of the \$2,500 PICYA Scholarships.

These lovely, intelligent, and motivated young ladies were our 2018 Scholarship Recipients. Meeting them and learning their accomplishments restored my faith in the generation preparing to take their place in leading our society! We need your help to continue to support young people such as these in continuing their education. You are looking at an aspiring Business Major, an International Relations and Marketing Major, a Marine Biology major and member of the University Sailing Team, and a Biology Major. We all know the cost of obtaining a bachelor's degree from a major university, not to mention post graduate degrees.

Can we pitch in to help a few wonderful young people?

The scholarships are funded entirely by donations from PICYA Member Clubs and club members. The foundation encourages donations of any amount. Memorial donations of \$2,700 will fully fund a scholarship to memorialize a revered past member. A donation through your club of \$250 earns it 10 COTY points. A donation of \$10 earns our gratitude!

There are 105 member clubs in PICYA. A donation of \$250 from each club would yield \$26,500. That is over 9 scholarships. How many drinks would each member need to forgo to make that donation?

Donations, other than those funding complete scholarships, will be pooled with others to contribute to funding scholarships. Anyone interested in making a TAX DEDUCTIBLE DONATION please contact me, Ed Stetson, at (209) 992-8073 or ed.griffin@yahoo.com

The SYC board has voted to match any donation made by members through the collection box in the club up to \$250.

SYC BULLETIN

PICYA Opening Day - PICYA Vice Commodore Robert Willis

A great time was had by all aboard the Commodore Lines "Cabernet Sauvignon" based in Alameda, California. Aboard the PICYA committee boat we celebrated the annual 102nd PICYA sponsored anniversary of OPENING DAY ON THE BAY. The event was held on April 28th. It was great seeing how many club boats entered into the parade and how each club interpreted my opening day theme of "Holidays on the Bay".

Stockton Yacht Club members were in full force and full dress aboard the "Cabernet Sauvignon." Thanks to all my SYC members that were available to support my chairmanship of the event this year. Aboard were Commodore Larry Brown and Lin Van Matre, Jack and Mary Lee Michael, Bob and Beverly Cain, Paul and Donna Clausen, Ed and Bonnie Stetson, David and PICYA S/C Linda Breninger, and PICYA Director Patti Brennan.

The PICYA committee boat had a final count of 203 paid guests. The next PICYA sponsored event will be the LIPTON CUP RACES to be held at Richmond and St. Francis Yacht Clubs.

If any SYC member would like to attend one of the monthly PICYA Delegates dinner and business meetings, please contact me. It would be great to have you as my guest!

SYC BULLETIN

Make-A-Wish Report - Ed Stetson

A wish that comes true helps children feel stronger, more energetic, and more willing and able to battle their critical illnesses. For many, the wish marks a turning point in the fight against their illnesses. Doctors, nurses and other health professionals say the wish experience works in concert with medicine to make their patients feel better emotionally and even physically. That is why wishes matter. That is why we grant wishes.

At the February meeting your Board authorized a Fund-Raising event for 2019 supporting Make-A-Wish. However, in order to accomplish this we need more participation from the membership: People to solicit donations and sell tickets, help prepare, setup and serve, and cleanup after the event. If we can share the load we can contribute to a child's wish with a reasonable effort. If not, we will be unable to present a meaningful and successful event. Stay tuned for the details as they are developed. But now, save the date: AUGUST 17TH.

ZOE REDESIGNS A HOSPITAL'S PLAYROOM

"It could help kids get better faster."

- wish kid Zoe

Read Zoe's story to use her wish to give the fifth floor of Rainbow Babies and Children's Hospital a makeover.

SYC BULLETIN

66TH ANNUAL 4S GAMES

Don't miss the exciting 4S GAMES at San Joaquin Yacht Club July 18 – 21, 2019. Let's give it our best to bring home the gold. The last time we did was in 1992; it's time for a change. We hope you can join us for some fun games and camaraderie with other Clubs, and a chance at moving up the ranks. See the game schedule below. Meal and T-shirt reservation forms below should be completed and mailed.

NOTE: The games will be played on Saturday, July 20th. Please come out to support and cheer on our players.

Schatzie Haws and Terry McGregor are the Chairpersons and will be looking for volunteer players. If you are interested in signing up please contact one of us – Schatzie at (209) 472-9075 or Terry at (209) 676-1469.

Sunshine Report - Nita Rienhart

Can you believe Dena Travassos fell off a ladder and broke her left arm in two places...and didn't tell any of us until I saw her arm in a sling at the Cinco de Mayo dinner! This happened in April. How about an email to Dena at dena.majestic@gmail.com or a card to her home to encourage her to heal quickly.

Otherwise, our members seem to be holding up this rainy, mysterious May. Stay healthy, and let me know if you learn of any of our members who may need a call or a card of cheer.
