NOTES FROM THE COMMODORE

April, what a great month. We started off with Opening Day on the Delta! We had our new sheriff Pat Withrow and his wife Kathryn on Ron and Joan Malmquist's boat. Ron and Joan were perfect hosts. That evening Vern Vierra made an outstanding dinner. Vern served over 140 filet mignon dinners. Members are still raving about the great meal.

Our first cruise out to Delta Yacht Club went very well. Thanks to Tim and Debra Greene and John Tulich.

May will be a very active month with Weber Point cruising in on the 3rd - 5th. Lin and I will be doing a TGIF authentic Sicilian dinner consisting of spaghetti and meatballs. Saturday night's dinner will be Cinco De Mayo by Theo Garcia. Theo always goes all-out on his dinners; this should not be missed.

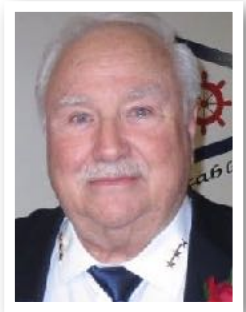

Donald Ivie's Birthday is on May 11th. This event for all members is hosted by Linda Contreras. Mothers day is on the 12th. Schatzie Haws is doing a brunch, including mimosas.

The cruise-out to Willow Berm Marina will be on the 17th - 19th. I understand there will be a martini making contest. I heard Paul Clausen has volunteered to be an Official Taster! Will he?

The Caliente Yacht Club will be cruising in on the 24th - 27th. TGIF that weekend will be by Steve Moses. He will be preparing roasted pork, fresh asparagus, salad, and blackberry cobbler. As usual for Steve there will be great appetizers before dinner. Watch for flyers for more information.

The cruise-out to Pittsburg Yacht Club has been moved from May to September.

As you can see we have a full fun calendar. Stay safe & we will see you at the many fun events!

Notes from the Vice Commodore

Hello all members!

We have now already moved into May and spring is in full bloom with a lot of sunshine ahead.

Thanks to all our members who signed up for Wacky Wednesday; thank you for your commitments. I need more members to step up for Wacky Wednesdays. If you don't feel like preparing dinner by yourself, group cooking sounds like fun.

Our calendar is updated on our website. Please check the dates and if you have any questions just call me.

Hope to see you soon at the club.

RBOC Report - Paul Clausen, Vice President North

The legislation on the State level is winding through Committees and Public comment periods. We are tracking them and sending support letters when appropriate.

We're watching closely AB1183 the new "Operators" definition, AB1111 the Office of Sustainable Outdoor Recreation, SB393 the Vessel Impoundment bill, and AB1387 the bill for annual fishing licenses.

The effort to stop 15% Ethanol fuel that could damage both inboard and outboard motors at the National level is being fought with a call to action from RBOC and Boats US. Please join the fight to prevent the sale of 15% Ethanol by going to <http://bit.ly/2UyyMFV>.

The Flare Turn In project for the disposal of out of date flares (both hand held and aerial) has had enough success that the program is being expanded, but so far just in Bay area locations. We are pushing for a Delta location flare disposal.

A bill that would have made the Delta Stewardship Council more fair has failed in committee. The bill would have added four members, all from Delta counties. As it stands, there are 7 voting members and only one is from a Delta county.

A large issue that is not local is more difficult to track and handle. In Southern California, we are fighting the potential further regulation of copper based bottom paint. Any regulation that passes anywhere in the State is likely to be adopted everywhere, whether necessary or not. The regulation could be very costly as the current replacement paints are very expensive and have limited effectiveness.

RBOC is on watch to help and protect the boaters of California.

Notes from the Board of Directors

It looks like our warm weather is almost here and so is our busy season at SYC. Our calendar is filling up with lots of events and of course, many other yacht clubs cruising in.

There are many committees formed by the Board of Directors:

- Review the different positions to shift and ease some of the work load
- Obtain volunteers to fill the positions
- Review the Private Party rules to make using the Club more user friendly
- Launch another successful MAKE-A-WISH event in August.

Please stay tuned as recommendations and results come out of the committees. Also, if you have any suggestions or input into any of these items, please contact me so we can include you in the committee or at least get your information to the Committee Chairs.

The Donald Ivie Ships Store

On April 23, SYC hosted a San Joaquin Delta Neighborhood Watch meeting. The meeting drew approximately 120 attendees including City and County Leaders, Sheriff's Department, STARS Directors, and the DA's office, all of whom spoke and addressed the concerns of Delta Crime, Safety and Environment. Questions were asked and answered and we were reassured that we have full support of the local Government agencies to address the issues. This meeting also gave our Club exposure to many who were not aware of us and as a result may attract new members. I personally gave out a couple of applications.

Speaking of applications, the BOD has approved 5 new probationary members this year. Be sure to introduce yourselves when you see these new faces. Also, please continue this trend by bringing your friends and introducing them to SYC. We know once they see us they will want to become members.

Thank you to all the past rotating Port Captains. We all appreciate your efforts. May's Port Captain will be Allan Lange. If you see something that needs attention please let him know.

Reminder – As our season of cruise-ins begins, please come to the planned events to show your support and love of our great club!

PICYA Report - Ed Stetson

The April Delegates Meeting was held at South Beach Yacht Club on April 1st. SYC was represented by Delegates Dedrick Dennison, Paul Clausen, and Ed Stetson. Also in attendance: Bob Cain, PICYA Vice Commodore Robert Willis, PICYA Director Patti Brennan, Bonnie Stetson, Dave and Linda Breninger, and Jack and Mary Lee Michael. This was a normal business meeting with the focus on the OPENING DAY ON THE BAY PARADE, which will have completed April 28th.

The PICYA 2019 Scholarship program is now beginning with applications due in by June 15th. The scholarships will be awarded at the Delegates Meeting August 5th at SYC. If any SYC members have grandchildren, nieces, nephews, other relatives, or youth you are mentoring who are continuing their education in college, encourage them to apply for one of the \$2,500 PICYA Scholarships.

The scholarships are funded entirely by donations from PICYA member clubs and club members. The foundation encourages donations of any amount. Memorial donations of \$2,700 will fully fund a scholarship to memorialize a revered past member. A donation through your club of \$250 earns 10 COTY points. A donation of \$10 earns our gratitude!

For more information: picya.org/resources/picya-scholarships

Coming up:

- May 13th Delegates Dinner - Oyster Point YC; Parade awards
- August 5th Delegates Dinner - SYC, Scholarship presentation
- October 5th Management Conference - South Beach YC
- September 21st Coastal Cleanup Day
- September 28th Margo Brown Wheelchair Regatta – Encinal YC.

SYC BULLETIN

Slips, Trips, and Falls - Safety Officer Pat Carson

What are the main causes of slips, trips and falls on your vessel? Our boats present a unique environment for the preventions of accidents. Safety challenges include deck surfaces that are not even or level, precipitation from the weather, spray from the sea, and the natural pitching and rolling motion of the vessel. According to USCG statistics, nearly half of all reported accidents on vessels are the result of a slip, trip or fall. One cause of slips is liquid on a deck making an unexpected location slippery. Think about our cool mornings this time of year where the moisture in the air has condensed on our boat deck. Areas that when dry provide good traction are now slippery and provide poor traction. Trips are usually caused by changes in elevation, an unexpected transition, or an unseen object. All of our boats have unique deck transitions; sometimes just a few inches is a trip hazard. You might know where these are on your boat, but do your guests? Falls can occur when climbing that ladder to the flybridge or down into the engine room. Carrying heavy objects up and down steep stairs or ladders can be difficult, especially if the vessel is underway.

Here are some easy ways to help prevent slips, trips and falls:

1. Keep the decks clean and clear.
2. Clean up any water, liquids, or debris on the decks immediately and dry if necessary.
3. When moving around the outer decks use handholds and move slowly and deliberately.
4. Never carry a load in front of you that does not allow clear visibility of each step.
5. Keep the companionways clear of objects.

In addition, do not forget that many of the same hazards are present on the docks.

Safe boating.

66TH ANNUAL 4S GAMES

Don't miss the exciting 4S GAMES at San Joaquin Yacht Club July 18 – 21, 2019. Let's give it our best to bring home the gold. The last time we did was in 1992; it's time for a change. We hope you can join us for some fun games and camaraderie with other Clubs, and a chance at moving up the ranks. See the game schedule below. Meal and T-shirt reservation forms will be published in the June and July Bulletins.

NOTE: The games will be played on Saturday, July 20th. Please come out to support and cheer on our players.

Schatzie Haws and Terry McGregor are the Chairpersons and will be looking for volunteer players. If you are interested in signing up please contact one of us – Schatzie at (209) 472-9075 or Terry at (209) 676-1469.

Sunshine Report - Nita Rienhart

Early this past month, Bonnie Stetson was hospitalized with bladder issues, but thankfully she has recovered to the extent she has returned to her duties as Manager of the Donald Ivie Ship Store. Stay well, Bonnie, and we appreciate you volunteering your time and skills.

Likewise, Bobbie Olson had colon surgery and is quickly recovering. She will be returning to the Club, soon.

Hope all of you had a lovely Easter Weekend! Please stay healthy and happy.

SYC Cruise to Willow Berm YC at Willow Berm Marina and Resort May 17 - 19, 2019

Okay, so Grindstone's is out again this year. But Willow Berm is a pretty darn good replacement. This private island on the Delta Loop off Hwy 12 offers a unique resort setting. They have 1400 feet of Guest Dock! During our stay, our members have access to all marina amenities—clubhouse with fitness center, pool table and fully equipped kitchen, BBQ areas on guest dock and at the marina, plus bocce ball and more. They also offer deluxe heated restrooms and showers. Full Continental Breakfast included with your docking fee—at clubhouse Saturday and Sunday morning. We have fun planned . . .

New info: Martini tasting competition!! Who will make the best?
