NOTES FROM THE COMMODORE

Happy New Year and welcome to 2019!

We had our BARBECUE & CLAM CHOWDER on January 1st. The weather was great and the potluck was outstanding. We had more than we could eat.

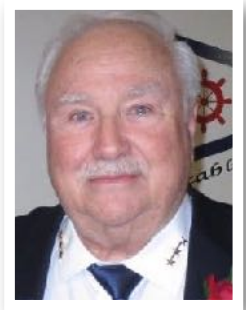

February 2nd will be SAFETY DAY. The day will start at 7:00 a.m. with coffee and sweets. There will be a presentation from 12:00 to 1:00 by Pat Carson and Anthony Kopshever, USCG.

February 9th will be our VALENTINE'S DAY CELEBRATION by Theo Garcia. Please RSVP as soon as possible. This is a great event not to be missed. A great deal of time is put in by Theo for members and guests.

Our CRAB FEED is scheduled for February 16th. I encourage you to let me know as soon as possible if you are attending. It will be filling up quickly.

I want to encourage ALL SYC members and their families to attend as many scheduled events as they can. The members of the SYC are the primary asset of the club! I firmly believe the members are what make this club truly great.

I can assure you the club is ready for 2019 with a great crew at the ready. Have a very happy, healthy New Year.

SYC BULLETIN

Notes from the Vice Commodore

Hi all members!

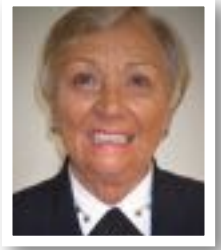

Hope everyone has had a good New Year so far.

I need more members to come forward to sign up for Wacky Wednesday; the club is covered only as far as mid-March. It's always a nice get together on Wednesdays to mingle with fellow members.

I'm also in charge of membership and hope we can add more members to the club this year.

I hope everybody is well since a bad cold is going around.

I will close for now; God bless everyone. See you at the Club.

SYC BULLETIN

Notes from the Board of Directors

I am honored to be chosen as the 2019 Chairman of the Board of Stockton Yacht Club. I am especially honored to also be the first female Chair. I hope to continue with the successes the Board has had through the years and to also continue with open communication and dialog with our members.

Bob Cain was elected Vice Chairman and as we know, he is a great contributor to our Club and I look forward to working with him. Bob, along with all of the other things he does for the Club, will continue to be Chair of the By-Law and Rules Committee.

As most of you know, Randy Welch has been our Port Captain for the last 6 years or so and he has decided to surrender this position to be able to do more traveling with Linda. With that being said, we were not able to immediately fill the Port Captain position. Because this is an important job we decided to have floating Port Captains for the first few months of the year or until we can find someone to take on this huge responsibility. The volunteers to oversee and check on items around the club are: January, Deb & Tim Greene, February, Roger Beebe and March, Paul Rioux. Cliff Kenst has volunteered to continue as Assistant Port Captain. If you see something around the clubhouse or the grounds that needs attention please let one of these volunteers or me know and we will address it. For marina issues please let Schatzie know.

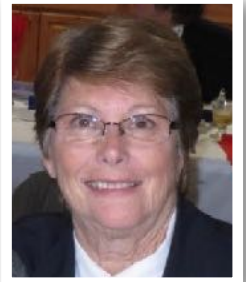

Many of you may have heard that about 6 weeks ago we had one of our berther's boats set adrift down the river. This enabled the thieves to steal our member's dinghy. Fortunately, someone down the river noticed that a large boat floating along with no lights on was suspicious and notified the Sheriff. The boat along with the dinghy were recovered, with no damage to the large boat, but damage to the dinghy as the thieves were trying to hot wire it and we believe to eventually steal the motor. This type of thievery is rampant right now in the Delta. In fact, it was on Channel 13 news just a few days ago. We must remain diligent and "if you see something, say something".

Where's All of Our Stuff?

We have lost all of our smaller trays that fit in the electric ovens. If anyone has them please bring them back.

Also, towels and aprons need to be taken home at end of an event to wash and dry. Please bring them back as soon as possible for the next event. Questions? Please call me.

Linda Contreras, Galley Chair

BOARD CHAIR
DONNA CLAUSEN
Serving the Club for 2019

Please remember the Board is here for you. You elected us. If you have a concern, please bring it to our attention.

I am looking forward to a successful year. I hope to add a reminder every month and here's this month's:

Reminder – Please go to www.stocktonyachtclub.org for information regarding events, Flag Officer's and Director's contact information, the year's calendar, our photo album, member information, Board meeting minutes, our budget and so much more.

SYC BULLETIN

RBOC Report - Paul Clausen

The partial government shutdown continues as this is written so please send your support for the bills before Congress that would restore paychecks for our wonderful men and women of the Coast Guard. Simply click on the link in the article below and your Congressmen and Senators will know you support the action.

Next month RBOC will be meeting with California legislatures to discuss the issues affecting boaters and proposed legislation. I'll let you know how it progresses.

RBOC URGES BOATERS TO TAKE ACTION AS PER BOATUS: "PAY OUR COAST GUARD"

WASHINGTON, January 16, 2019 – With the federal government shutdown now in its fourth week, Boat Owners Association of The United States (BoatUS) is supporting bipartisan legislation to immediately restore pay for U.S. Coast Guard members. S. 21, "Pay Our Coast Guard Act," recently introduced in the Senate by Sen. John Thune (R-S.D.), and its companion bill, H.R. 367, "Pay Our Coast Guard Parity Act of 2019," introduced in the U.S. House of Representatives by Transportation and Infrastructure Committee Chairman Peter DeFazio (D-Ore.), aims to restore paychecks to the more than 40,000 active duty U.S. Coast Guard service members.

BoatUS is urging recreational boaters to ask their members of Congress for support of S.21 and H.R. 367 and offers a simple way to do that by going to: <https://bit.ly/2AMDbJy>.

In a January 15 letter to Sen. Thune and Rep. DeFazio, Vice President of BoatUS Government Affairs Chris Edmonston wrote, "While we understand the current debate over funding of the Department of Homeland Security is primarily about issues not directly related to the U.S. Coast Guard, we are concerned over the potential deterioration of its ability to fulfill its wide range of missions including search and rescue, boating safety regulation, and support for aids-to-navigation. We support your effort to ensure that USCG personnel will receive compensation notwithstanding the final passage of the DHS 2019 appropriation legislation. This will allow them to focus on their missions and help ensure the safety of recreational boaters."

Added Edmonston, "Despite the current lapse in funding, thousands of USCG professionals have continued to perform critical missions regardless of their own financial uncertainty. This is a true testament to their dedication, living the Coast Guard motto, Semper Paratus — Always Ready. It is very fitting for the Congress to take action to ensure their well-being for the long term."

Boat Owners Association of The United States is the nation's largest advocacy, services, and safety group for America's boat owners with more than half a million dues-paying members.

We've known anecdotally about the transformational power of a wish, and now a first-of-its-kind study is opening the door to possibilities of **medical and financial benefits**.

Thanks to our community of donors, volunteers and other supporters, more than 15,000 children across the country experienced a wish last year. Together, we're on a quest to bring every eligible child's wish to life, because wishes are an important part of a child's treatment journey. Wishes provide hope when they need it most, and research shows they have an effect on children's overall well-being and health outcomes.

Stockton Yacht Club made an unbelievable contribution to the work of the Make A Wish foundation in 2018, raising \$16,000. This was thanks to the incredible generosity of our members and other supporters. What do we do for an encore? Do we rest on our laurels, or launch another fundraising effort for 2019? *Shall we make this a SYC tradition? Let your board know your feelings.*

IMPACT BY THE NUMBERS

Every **34** minutes, on average, a child's wish is granted somewhere in the U.S. and its territories.

On average, it takes
183
donors to grant a child's wish.

More than
35,000
volunteers grant wishes across the country.

Watch the video below to hear Dr. Anup Patel, director of the Complex Epilepsy Clinic at Nationwide Children's Hospital, discuss the true power of a wish.

Learn more about what a wish can do

The Impact-of-granting-wishes

It's only about 8 minutes.

Sunshine Report - Nita Rienhart

The New Year was not so kind to several members. Rats!

Member Ray Bell had to have several emergency surgeries right at the beginning of the month. However, he has withstood all negative pressures and is well on the way to dancing up a storm again!

Vice Commodore Christel Schneider fell in the airport and broke her foot. Ouch! But she kept on "tickin" and, with her little wheel mobile, is faster than ever. We hope she heals quickly!

Wishing all of you a healthful and happy month.

FEBRUARY 2019

Safety Day Reminder

Captains Pat and Leslie Carson would like to remind everyone that Safety Day is scheduled for Saturday February 2, 2019. Activities will begin at 0700 with coffee and muffins with boat inspections to begin at 0730.

For those of you who have your boat berthed at the Club's Marina, please remember that it is a requirement that your boat be inspected each year by the Coast Guard Auxiliary and to have the appropriate inspection sticker affixed to your boat. Oh, yes. Your boat must also pass that inspection as well. So, if you have any questions about that inspection, I would encourage you to take the appropriate actions ahead of time to ensure your boat will pass.

If your boat is not berthed at the Club, you are welcome to bring it over to the Guest Dock to have that Coast Guard Auxiliary Inspection performed.

It will be helpful if you will have all your documentation, life jackets, fire extinguishers, etc., readily available so that Pat and Leslie do not have to wait for you to locate those items while they are onboard.

A special Safety Presentation will take place between 1200 and 1300 by Captain Pat Carson and Boatswains Mate First Class Anthony Kopshever, USCG.

Lunch will be served just prior to presentations. \$5.00 per person. Please RSVP to Leslie Carson (530) 632-9111.

Please let Captain Pat know your will be attending. You can contact him at Pat@bayachting.com.

See you February 2nd.

Volunteer Opportunity

The Club counts on members to take pictures at events to place in the website photo gallery, monthly Bulletin, and Facebook page. We have a

very nice easy to use camera available to do so, but no designated photographer. If you are planning on attending an event and would like to snap a few photos, please check with Schatzie Haws and she will make sure the camera is available. She will also then make sure the photos are uploaded, so you just need to be the photographer!.

SYC Cruise to Delta Yacht Club

April 12—14, 2019

Join us for our first Cruise-Out of the year! Your Delta Fleet Captains are looking forward to creating a fun outing at Delta Yacht Club. This island retreat has lots to offer, from docking with 30-amp power to a solar heated swimming pool and a 9-hole pitch and putt golf course ... and pets are welcome, too. The year-round Clubhouse has a fully equipped Galley and Bar with a bartender, a fireplace and HD DirecTV.

We are putting a plan together to utilize these amenities! There will be competition games you won't want to miss.

Please Mail Form by March 29, 2019 with check payable to "SYC" to:
