NOTES FROM THE COMMODORE

We have had a relatively quiet month in August. Our only cruise-in was Diablo Yacht Club. We sadly only had 13 of our members attend, it would have been nice if we had more members attending. All turned out well; they invited us to be included in their raffle. It turned out to be one of the most enjoyable evenings.

The cruise-out to Rio Vista went well; three of our boats went a day early, the remainder came on Friday. The bridge on Three Mile Slough was inoperative on Friday. The group made the decision to go on to Pittsburg and up the Sacramento River to Rio Vista. Tim and Debbie Greene did an outstanding job of getting everyone to Rio Vista safely. The Saturday morning treats were outstanding, thanks to Debbie Greene and Cathy Gipson.

Hope all of you have made reservations for the LUAU DINNER, with Sacramento Yacht Club cruising in. We have 90 reservations and hopefully we will make 100. September will be a busy month. Randy and Linda Welch are going all out for the CAR & BOAT SHOW. This is not to be missed. Sadly this will be their last car show, as they are moving to Hawaii. We have MOTOWN the following weekend by our good friend Ray Bell. This is standing room only; you must get your reservations in early. We will be having our GENERAL MEETING on September 20th. This should be attended by as many as possible. We are having a cruise-out to Pittsburg Marina on September 21-23. Please contact Debbie Greene to reserve your spot. Our BAY CRUISE will leave Pittsburg Marina on the 23rd and return on the 30th. For the BAY CRUISE contact Bob Cain to see if there is still time.

There are a number of our members who have injured themselves or have been hospitalized. Our friend Nita Rienhart fell and injured herself at home. Terry McGregor is at home recuperating after open heart surgery. Schatzie Haws is in the hospital and waiting for surgery at this time. Please keep them in your thoughts and prayers. We are all getting older please; take care of yourselves and significant others.

Hope to see all of you at our upcoming events. Happy boating!

Notes from the Vice Commodore

Hello all members. I hope everyone had a good summer so far and you are enjoying the boating season.

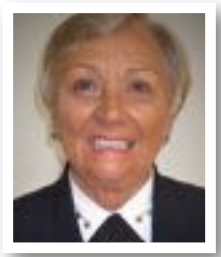

I'm very happy our Wacky Wednesday calendar is complete through September. I still need to fill two Wednesday's for October, November and December and I hope some of our members will come forward.

I really thank all members who participated on Wacky Wednesdays.

On Sunday, September 15th, we will have a ICE CREAM SOCIAL MEMBERSHIP DRIVE from 1:00 to 3:00 pm at the Club. Don't miss out!

We will have our GENERAL MEETING on September 20th and I hope to see you all.

God bless you and see you at the club.

Notes from the Board of Directors

As most of you have heard, the Welch's are moving to Hawaii. Randy has resigned from the Board of Directors and with that we also need to replace our Treasurer, Linda. These are huge slots to fill. Fortunately, Jorja Ivie has volunteered to finish out Randy's term on the Board and Colleen Waterhouse has volunteered to take over as treasurer. Both bring experience in their respective positions. We, of course, want to thank both the Welch's for all their contributions and hard work at the club and we wish them majestic sunsets and gorgeous rainbows as they start their next chapter in Hawaii.

Recently the Finance Review committee, lead by Bob Cain, members Colleen Waterhouse, Paul Wandel, and Linda Welch completed a review of the books finding no discrepancies or irregularities. The committee made some recommendations to items such as possibly raising our fees for cruise-ins, including a section on our event log for cruise-in guests, etc. The Board will be reviewing these items very soon and taking actions if deemed necessary.

We will be having an ICE CREAM SOCIAL MEMBERSHIP DRIVE on Sunday, September 15th. We are offering a membership to SYC for the months of October, November, and December for \$25. What a deal! Please see the flyer for more details and plan on bringing friends, family, and neighbors to take advantage of this great deal. I'm also looking for about 15 members that day to help greet, provide history, and provide tours to potential members. Please let me know if you are interested in helping out and bragging about our wonderful club.

You have probably seen the Nominating Committee slate by now. We will also be taking nominations from the floor at the General Meeting on September 20th. The General Meeting will also provide you with information regarding the state of the Club.

Reminder - please complete your survey and send it to me or drop it off at the Club by September 1st.

RBOC Report - Paul Clausen, Vice President North

The legislative season is winding down and a few proposed bills are still in the mix. AB 1111, a bill authorizing a new "Office of Sustainable Outdoor Recreation", is on the floor for passage. RBOC supports the bill but has testified and submitted a brief indicating that it not take dollars from the Division of Boating and Waterways budget, and we would like a seat on any advisory committee.

SB 393 is a bill that would impound boats involved in fatal accidents and the boat operator is alcohol or drug impaired. RBOC wanted marina operators that had to store these boats to be held harmless should anything happen to the boat while impounded. They have added that provision to SB 393 and we support the bill as it is now written.

I am on an extended East Coast vacation and will miss some important meetings on the Delta Conveyance, which is the new terminology for the tunnel. Our good friend Bill Wells and RBOC Past President Peter Robertson will attend the meeting. We will be well represented and let's hope the report is favorable to the Delta community.

Delta Conveyance financing is ongoing with many public agencies deciding how much money they can spend on the projects construction and maintenance. Hard to do without numbers, but that's the way they are proceeding. It's hard for me to hear the Mojave Water District talk about how much Delta water they deserve.

I'll be back for the Division of Boating and Waterways budget meeting. We can hope it will not be cut too much as Parks and Recreation works through its priorities.

Changes are Coming - Bob Cain, Frank Gurnee

The new website is ready to go. We will continue our training and then make the big switch over soon. At that time you will receive an email with your new user name, a temporary password, and an invitation to log into the site. When you do so you can change your password and click the "remember me on this computer" and then you will be able to click one button to log in: nothing to remember! Every person will have their own login; it would be nice if we had an email for every person. We are missing about 30. Email [Bob](#) or [Frank](#) and we would be happy to add yours.

We are all ready to move into the 21st Century and be able to register and pay for events right on the website and keep everything up to date in real time. And most of, all designated members can make changes directly on the web, spreading the work and responsibility. Look for training opportunities and the notification of the big change over.

PICYA Report - Ed Stetson

The August Delegates Meeting was held at Stockton Y.C. This meeting was dedicated to presenting the 2019 Scholarships to three deserving young people. I introduce them here.

Representing Golden Gate YC and San Jose Sailing Club: Devin Anderson

Devin Anderson has competed in Policy Debate for 6 years and has placed in the "Top 50" debaters nationally for the last two. He has been a high school level teacher his Junior and Senior year, teaching freshmen and middle schoolers about civic engagement and debate. Devin is passionate about baseball, volleyball, and all things environmental. He has been active in SYRCL (South Yuba River Citizens League) for river cleanup and monitoring of local streams and a student-teacher engagement speaker specializing in the wellbeing of disabled students in classrooms. Devin will be attending UC Santa Barbara in the fall studying Political Science and hopes to continue working in political fields beyond his education.

Representing Richmond Yacht Club: Hayden Lahr

Hayden started sailing when she was 8 years old in the Richmond Yacht Club Winter Junior program. At that time she was introduced to it by her dad and terrified of the wind. She competitively raced El Toros until about the age of 12 and then moved onto Lasers, J22s, 420s... you name it. She served the Richmond Yacht Club on their race committee for sailing regattas. Hayden donated 40 plus hours at Kindred Hospice in Dublin, CA, and 200 plus hours volunteering as an intern at San Ramon Veterinary Hospital. After graduating high school Hayden attended the University of Hawaii and is also on the varsity sailing team there. Luckily, she was able to travel to many regattas her freshman year as a skipper and was even lucky enough to receive an award from the PCCSC conference for Women's Rookie of the Year.

Representing the Classic Yacht Association:

Daisy Lewis graduated from C. K. McClatchy High School in Sacramento with a 4.5 GPA. As a highly involved and active leader, she served as Class President, Student Body President, founded the French Club, was a 4-year member of the California Scholarship Federation, was Treasurer of Eco Club, and was Vice President of the Fashion Club. In addition, she played varsity tennis for four years, was team captain, and was Metro League Individual Champion for four years. She also received the Bill Morgan Sportsmanship Award, given to one graduating senior each year. One of her passions has been her long-lasting dedication to the community through "4-H On the Wild Side" where she has been a volunteer teacher for 4 years at an overnight science camp for underprivileged 4th-6th graders. She helps to develop this program, plan meetings, and write grants. She will be attending UC Berkeley in the fall and is majoring in Sustainable Environmental Design. She will focus on environmental solutions for sustainability with regards to city planning, as well as nutrition and food.

Sunshine Corner - Nita Rienhart

Terry McGregor had an awful cardiac scare, but he improved greatly with four bypasses. He is healing.

Bobbie Olsen had abdominal surgery and was home from the hospital quickly and is doing well.

Bonnie Stetson fell recently and fractured 4 ribs; she is still in a lot of pain.

Marc Bay, also was hospitalized, but is now at home and doing better.

I, too, joined our club mates and was hospitalized due to a fall down our stairwell. I broke my nose, sustained a number of facial fractures, and my right eye is swollen closed, but I'm going to better, soon.

Take care of yourselves.
